The image displays four screenshots of a mobile music player application, showing different stages of the user interface:

- Screenshot 1 (Left):** Shows a large headphones icon in the center. Below it, the word "Loading" is displayed with a small progress bar icon.
- Screenshot 2 (Second from Left):** Shows a search bar at the top with icons for magnifying glass and settings. Below it are sections for "Music" and "Podcasts & Shows". Under "Music", there are buttons for "Favourite" (blue), "Gym" (red), "Liked" (purple), and "Most Played" (green). A "Last Played" section shows a thumbnail for "Humvana Mere" by Jubin Nautiyal and Rocky - Shiv, with a heart icon and three dots. A "Recently played" section shows three song thumbnails: "Timeless Love Songs", "Everlasting Love Songs", and another "Timeless Love Songs". A "Recommended for today" section shows three more song thumbnails with similar names.
- Screenshot 3 (Third from Left):** Shows a search bar with placeholder text "What do you want to listen." and a magnifying glass icon. Below it is a song preview for "Humvana Mere" by Jubin Nautiyal and Rocky - Shiv, featuring a thumbnail of the two artists. To the right is a "Recently Played" list with four items: "Musafir Song", "Jo tu Na Mila", "Hamari Adhuri", and "Muskurane ki w".
- Screenshot 4 (Right):** Shows a large headphones icon in the center. Below it, the song "Humvana Mere" by Jubin Nautiyal is playing, indicated by a play button icon and a progress bar showing 1:38. The lyrics "Now Playing Humvana Mere" are displayed. At the bottom are navigation icons for back, forward, and repeat.
